

Guidelines for PST Industry Day Registration

Welcome to the registration guide for Industry Day at PST2024. This document will provide you with all the necessary information to complete your registration successfully.

1. Introduction

The Industry Day at PST2024 is a unique opportunity to bridge the gap between real-world initiatives and research in the fields of privacy, security, and trust. This event brings together industry professionals, academics, and government representatives for a day of collaboration, featuring initiative presentations, poster sessions, keynotes, and panel discussions.

2. Eligibility

Registration is open to anyone interested in privacy, security, and trust, and especially:

- Industry professionals
- Academic researchers
- Government representatives
- Students
